Dear Professor/Doctor,

It is with great pleasure that we invite you to participate in an expert session on Patient Blood Management with Prof. Xavier Capdevila: **How to successfully implement a Patient Blood Management program?**

Prof. Capdevila is head of the departement "Anesthésie-Réanimation Lapeyronie" in CHU Montpellier and he is president of the "Société Française d'Anesthésie et de Réanimation".

During his presentation he will explain the Patient Blood Management concept as well as the available data. He will also share his insights on how PBM is implemented in France and how this improved patients outcomes.

The session will take place on Friday February 8th 2019 from 12.30h till 13.30h.

Participation to this lunch symposium is free of charge for all participants of the 34th International Winter Symposium in UZ Gasthuisberg, Leuven. This session and the lunchbox are sponsored by Vifor Pharma.

We're looking forward to welcome you to this interesting and interactive session.
